Leave the A58M Ring Road at the A65 junction. Follow directions for City Centre and International Pool. At the traffic lights, opposite the Crowne Plaza Hotel, turn left onto Lisbon Street. Lisbon Square is found on the left hand side, opposite the International Pool open air car park. Enter the courtyard at the gates. Unfortunately we are unable to provide parking spaces. However, there are three car parks within easy walking distance of the office and metered parking along Lisbon St.
